Following the opening of Prince of Wales Ward at Wrexham Maelor Hospital as a Rapid Recovery Centre of Excellence by the Health Minister, I would like to invite you to the formal launch of Rapid Recovery, which will take place on Tuesday 7th September 2010 at 7:30pm in the Medical Institute. This is a programme which has gained national recognition for revolutionising joint replacement care and the purpose of the launch is to share this success with the wider health community. The launch will include detailed presentations on the redesigned knee and hip pathways, including information on how we have reduced length of stay to 2-3 days, testimonials from patients and a question and answer session with the multi-disciplinary team. I would therefore be extremely grateful if you could contact me (see details to the left), to confirm whether you can attend or not and in the meantime please do not hesitate to send the invite to colleagues you feel may be interested.

Dyma raglen sydd wedi cael cydnabyddiaeth genedlaethol am chwyldroi gofal i rai sydd wedi cael cymalau newydd a phwrpas y digwyddiad lansio yw rhannu'r llwyddiant hwn â'r gymuned iechyd ehangach. Bydd y digwyddiad lansio yn cynnwys cyflwyniadau manwl am y llwybrau gofal pen-glin a chlun sydd wedi'u hail-ddylunio, gan gynnwys gwybodaeth am sut rydym wedi lleihau hyd arhosiad i 2-3 diwrnod, tystebau gan gleifion a sesiwn holi ac ateb â'r tîm amlddisgyblaethol. Felly buaswn i'n ddiolchgar iawn petaech chi'n gallu cysylltu â mi (mae'r manylion ar y chwith), i gadarnhau a allwch fynychu ai peidio ac yn y cyfamser mae croeso i chi anfon y gwahoddiad i gydweithwyr a allai fod â diddordeb.
